JT Curved Dining Table

Our *JT Curved Dining Table* was originally designed for clients who wanted a table that would complement their set of classic CH24 Wishbone chairs by Hans J. Wegner, while at the same time align with the contemporary aesthetic of their Jack Trench Corian Classic bespoke kitchen.

- Made-to-order in a variety of solid timbers
- As a bespoke furniture piece, our *JT Curved Dining Table* can be fully customised to suit your space and requirements
- Table top options shown are Glacier White Corian & Bianco Carrara marble
- Our *JT Curved Dining Table* is completely bespoke so other natural stones can be used
